

# Pedro Bosch Morales

Live Sound Engineer | Sound Designer

London, UK

+447955423952 | [pedrobm01@yahoo.com](mailto:pedrobm01@yahoo.com)

I am an Audio Engineer and Sound Artist from Mexico City based in London. I have years of experience in sound sculpting, with a key interest in sound design, recording, mixing, installation and sound for screen. My artistic practice lies in improvised electroacoustic music, sound design and live performance.

---

## WORK EXPERIENCE

### Cafe OTO

London, UK

Live Sound Engineer

March 2022 - Present

I have honed my expertise in live sound engineering while collaborating with a diverse array of performers. This role has afforded me crucial experience in managing live sound within a professional environment, particularly excelling in problem-solving amidst high-pressure scenarios.

- Quality digital audio recordings of every performance
- Live mixing on digital console
- Sound-checking / Troubleshooting / Managing audio equipment / Setting up / Assisting performers

### Sticky Audio Labs

New York City, USA

Assistant Audio Engineer

Summer 2022

I gained invaluable hands-on experience under the mentorship of seasoned audio engineers, contributing to various projects including sound design, recording sessions and post-production.

- Equipment maintenance and studio
- Editing vocal takes
- Communication with clients and engineers
- Technical assembling
- Assisting recording artists

### Freelance Work

Audio Engineer / Sound Designer

2022 - Present

~ As a freelance live sound engineer / designer I have worked in various venues and labels such as Stone Nest, Copeland Gallery, 33:33 and House of Mass.

~ During my time studying at UAL I actively engaged in diverse sound design projects, and have worked on two documentaries and three shorts films.

- Soundtrack for London College of Fashion MA Graduate fashion
- Commercial for the NHS
- Exhibited work at Gallery 46
- Radio show for Resonance FM
- Promotional material for UAL exhibition for the Creative Computing Institute and LCF
- Collaborative work with video-game design students
- Organized and promoted a successful event at Corsica studios
